The Marshall Autumn Fest Committee would be pleased to have the participation of your group or organization, in our annual Autumn Fest Parade to be held on Saturday, September 21st, 2019. The parade will begin at 11:00 a.m. with registration and line up scheduled from 8:15 a.m. to 10:30 a.m. prior to parade time. All units must report to the high school parking lot, located on 5th street. The registration booth will be located in that area. Those having a float and want to be judged must be in place by 10:00 a.m. Please think of others when making/displaying items in parade. Nothing offensive will be allowed in the parade.

Dress your float up in anything related to fall!! Some of my favorite ideas for fall are Friday night lights, pumpkin patches, campfires, and harvest. Show us what unique fall theme you create!

Activities are planned all weekend beginning on Friday, September 20th, at 6:00 p.m. There will be plenty of free entertainment, great food, booths, and activities for all ages. Plan now to be a part of this great Autumn Fest. In an effort to help us be self-supporting, we are asking for a donation of your choice for each entry.

Again, this year we ask that if you intend to distribute candy—please make arrangements to have “walkers” to hand it out. For the safety of our children, PLEASE do not throw candy from parade vehicles. We look forward to your participation in the Autumn Fest Parade.
